Warrior Wellness

Through a partnership with the Wellness Co-Op and their certified professionals, this program offers proactive and crisis counseling to combat mental illness and distress.

Additional resources through this program include three-day intensive retreats that utilize proven techniques that provide a healthy alternative to work through their struggles.

Regular programming and gatherings encourage prolonged after-care to ensure continued success.

Veteran Suicide Awareness Ruck March

Each Veterans Day weekend, H.O.O.A.H. WI brings together members of the community raising funds to further our proactive programs to lessen the number of Veterans who commit suicide.

The distance of this march represents the number of Veterans reported by the VA who complete suicide each day.

Money raised assists those who are suffering from mental illness and are considering such a tragic fate.

WHO WE SERVE

H.O.O.A.H. WI serves forward deployed special operations troops, servicemen and servicewomen, their stateside families, and returning veterans with a high level of understanding, compassion, empathy, and appreciation.

WHY WE SERVE

H.O.O.A.H. WI's vision is to eliminate suicide by empowering the military community throughout the state of Wisconsin by creating an all-encompassing support network to improve wellness and quality of life through growing and strengthening partnerships, programs, and volunteers.

HOW WE SERVE

H.O.O.A.H. WI focuses on serving the needs of active duty, veterans, and their families at all levels. No request is too big or too small.
